HIS HONOUR the Lieutenant-Governor in Council has been pleased to order that, under the provisions of the "Land Registry Act" and all other powers thereunto enabling, the following regulations be made:—

1. A Crown grant of the right-of-way in favour of the Peace River Transmission Company Limited, a company incorporated by a special Act of Canada, shall be transmitted to the proper Land Registry Office, and when received the Registrar shall enter Her Majesty as the owner of the land described in the Crown grant in the register; and upon application being made for the registration of the Com-

DEPARTMENT OF HIGHWAYS

"TOLL HIGHWAYS AND BRIDGES AUTHORITY ACT"

October 22nd, 1956.

HIS HONOUR the Lieutenant-Governor in Council has been pleased to order that, pursuant to the provisions of the "Toll Highways and Bridges Authority Act," chapter 37 of the Statutes of British Columbia, 1953 (Second Session), the following regulations be made respecting the use and operation of the Agassiz-Rosedale Toll Bridge, to be known as the "Agassiz-Rosedale Toll Bridge Regulations":—

AGASSIZ-ROSEDALE TOLL BRIDGE REGULATIONS

Interpretation

1. In these regulations, unless the context otherwise requires:—

"Authority" means the British Columbia Toll Highways and Bridges Authority, and in respect of the granting of permits includes any person designated by it in writing for that purpose:

"Bridge" means the Agassiz-Rosedale Toll Bridge constructed over the Fraser River between Agassiz and Rosedale, under authority of the "Toll Highways and Bridges Authority Act," and the approaches to the same extending from the intersection of the north approach and Whelpton Road, in Kent Municipality, immediately north of the toll-gates, to the intersection of the south approach and the south bank of Camp Slough at Windermere Island in unorganized territory.

Speed of Vehicles

2. No person shall drive or operate a motor-vehicle across the bridge at a speed of less than 10 miles per hour, nor a horse-drawn vehicle at a speed greater than a walking pace or less than 2 miles per hour, except where a permit has been first obtained from the Authority, or except where the vehicle is mechanically or otherwise disabled, or when necessary to avoid an accident or injury to persons or property.

Stop and Other Signs

3. (1) If the Authority erects on the bridge a sign displaying to the driver of an approaching vehicle the word "stop," either alone or accompanied by

other words, the driver of every such vehicle shall, while at a distance of not more than 20 feet from the sign and before proceeding to pass beyond the sign, bring his vehicle to a complete stop.

(2) The Authority may cause to be erected such other signs as it may consider necessary for the proper direction and control of traffic using the bridge, and it shall be the duty of all persons driving or operating any vehicle to comply with the directions indicated by such signs.

Parking of Vehicles

4. (1) Except as provided in Regulation 4 or in the case of a vehicle which has become so mechanically disabled as to prevent same proceeding, no person shall stop, park, or leave standing any vehicle on any portion of the bridge set aside for vehicular traffic except when same is necessary in order to avoid accident, injury, or damage to any person or property, or in compliance with the instructions of an officer or constable of the Royal Canadian Mounted Police, or under the direction of a sign or signal given by an officer or servant of the Authority.

(2) No person shall make repairs to any vehicle or make a tire-change on the bridge, except with the authority of an officer or constable of the Royal Canadian Mounted Police, or except when such repairs or tire-change are carried out in the presence of an officer or servant of the Authority.

(3) In the event of the breakdown or other disablement of a vehicle on the bridge, it shall be the duty of the driver or operator of the vehicle to give notice immediately to the officer or servant of the Authority in charge of the toll-booth, or to an officer or constable of the Royal Canadian Mounted Police, who will, as quickly as possible, arrange for the necessary towing of the broken-down vehicle, or the supplying of gasoline to the vehicle, or the provision of such other assistance as may be necessary; all charges in connection with the towing, gasoline, or other assistance shall be paid for by the operator or owner of the vehicle before it is removed from the bridge.

(4) In the event of the breakdown or other disablement of a vehicle on the bridge, or in the event of a vehicle being unlawfully stopped, parked, or left standing on the bridge, any duly authorized officer or servant of the Authority may remove or cause the said vehicle to be removed from the place where it is so found, and all charges or costs in connection with such removal shall be paid by the operator or owner of the vehicle before it is removed from the bridge, or returned to the operator or owner thereof.

No U-turns

5. No person driving or operating a vehicle on the bridge shall make a U-turn or otherwise reverse the direction in which the vehicle is proceeding, except by order of an officer or constable of the Royal Canadian Mounted Police or an officer or servant of the Authority.

One-way Traffic

6. The Authority may cause to be erected signs or signals indicating portions of the approaches to the bridge on which vehicles shall proceed in one direction only and indicating the direction in which vehicles shall proceed, and all vehicles using the said approaches shall then proceed thereon only as such signs or signals indicate, unless otherwise ordered by an officer or constable of the Royal Canadian Mounted Police, or by an officer or servant of the Authority.

Certain Vehicles May Not Use Bridge

7. No person shall drive, operate, or propel any of the following classes of vehicles on the bridge:—

- (a) Vehicles with pneumatic tires which are flat or not inflated with air, unless otherwise permitted by an officer or constable of the Royal Canadian Mounted Police, or by an officer or servant of the Authority;
- (b) Horse-drawn vehicles equipped with metal tires and having a gross weight (vehicle and

- load) in excess of 3 tons, except where a permit has first been obtained from the Authority:
- (c) Push-carts, wheelbarrows, or similar vehicles, except where a permit has first been obtained from the Authority:
 - (d) Any vehicles or class of vehicles which, in the opinion of the Authority, are likely to endanger persons or property or to render the use of the bridge unsafe.

Rules for Pedestrians

8. Pedestrians shall not cross the bridge at a speed of less than 2 miles per hour, and shall, when crossing, continue in one direction only, without stopping.

Tolls

9. (1) The Authority may erect and maintain at or on the bridge a toll-booth or toll-booths, and may appoint and employ all necessary toll collectors and other officials necessary to direct and control them in the performance of their duties; all persons so appointed and employed shall be under the direction and control of the Authority.

(2) It shall be the duty of every toll collector appointed under this regulation to collect and enforce payment of the tolls imposed by this regulation and otherwise to enforce due observance of the provisions of this regulation.

(3) Every person who enters upon or uses the bridge shall be liable for and shall pay tolls according to the rates fixed by the Authority, unless such person or vehicle which he is then operating is exempted by the Authority from the payment of tolls.

(4) No person shall pass or attempt to pass any toll-booth erected at or on the bridge without first paying the appropriate toll for himself and any vehicle then being operated by him.

Penalties

10. Every person who violates any provision of these regulations, or who refuses or neglects to observe or perform any duty or obligation created or imposed by these regulations, or who directly or indirectly evades or attempts to evade the payment of any toll which he is required to pay under these regulations shall be liable, on summary conviction, to a fine of not more than three hundred dollars.
